TO: LIBRARY FACULTY
FROM: DON S. HURST, FACULTY RECORDER
SUBJECT: FACULTY MEETING OF MARCH 5, 1981

ADMINISTRATIVE MATTERS—Leo Cubell presiding

1. Kenneth Boulding’s talk was announced.
2. A memo describing the formation of a data processing committee comprised of the Administrative Group was circulated.
3. Mildred Milon announced the adoption of several new Information Services policies.

FACULTY MATTERS—Joan McConkey presiding

1. Sharon Gause reported that the Faculty Personnel Committee had finished evaluating the “yellow sheets.” The results were going to be distributed later in the month. She also requested that any future changes affecting the Faculty Handbook be sent to the P.P.C. first for appropriate handling.
2. The Library Advisory Board has sent out a questionnaire concerning the possible interest of library personnel in taking courses offered by Denver University Library School on the Boulder campus.
3. The Long Range Planning Committee has asked Clyde Walton to activate the Budget Committee and the Computer Advisory Group.
4. The letters concerning sabatical for eligible library faculty have been forwarded to Clyde Walton.
5. Ben La Rue is chair of the European Bibliographer Search Committee and Mildred Milon is chair of the Science Search Committee and the Art/Arch. Search Committee.
6. Joan Messimer reported that the University Personnel Committee was currently considering various benefit plans. In addition, university-wide tenure standards are being discussed.
7. There was much discussion about the adequacy of services provided by the current vendor of coin-operated photocopy machines in the library.
8. There was extended discussion about the problems and responsibilities of Essential Services Committee.
